Cough
Shortness of breath or difficulty breathing
Fatigue
Muscle or body aches
Headache
New loss of taste or smell
Sore throat
Congestion or runny nose
Nausea or vomiting
Diarrhea

Yes No

2. In the last 14 days, have you been in close contact with a suspected or confirmed case of COVID-19 or tested positive yourself?

Yes No

- If employee answers “no” to questions, he/she will get the green check to report to work.

- If employee answers “yes” to either question, he/she will get the red warning sign and told to stay home.

You are experiencing symptoms of an illness or have been in close contact with someone with a suspected illness. Stay home today. You will receive a follow up via phone.

- **Staff members will also take temperature daily.**
- If temperature is 100.4 or greater, the staff member should not enter the main building and should report to his/her supervisor.
- Any staff member that is displaying COVID-19 symptoms should not report to work and notify his/her supervisor immediately.
